Product Overview:

- Full radius corners for easy cut-out.
- Made to fit 1/4" (6 mm) thick glass.
- Concealed spring mechanism.
- Spring tension closing eliminates dust and water penetration.
- Two finishes satin anodized , matte black.
- Available in bulk packs.
- Installation simply requires application of neutral cure silicone or putty to inside of channel to create a weather tight seal.

Recommendations:

To ensure public safety, we strongly advise using only tempered safety glass.

UNIKOO LIMITED WARRANTY:

- UNIKOO warrants it's commercial hardware for a period of 1 year from the date of purchase. UNIKOO commercial hardware is warranted against material and workmanship defects.
- All warranty claims are subject to inspection by UNIKOO before providing a resolution against the warranty claim.
- This warranty is void if it is determined after UNIKOO inspection that the Hardware has been improperly installed and/or maintained in a manner not conforming to UNIKOO guidelines and instructions provided at time of purchase.
- UNIKOO's responsibility to provide a resolution under said warranty will be limited to a refund of purchased price or provide a replacement for the hardware.
- The refund or replacement will constitute UNIKOO's limited liability and obligation for any and all defective material/workmanship for said warranty claim.
- THIS WARRANTY IS EXCLUSIVE AND UNIKOO MAKES NO OTHER WARRANTY, EXPRESSED OR IMPLIED.
