MC803 Description

- · Crystal-clear clips for 1/8" or 1/4" (3 or 6 mm) mirrors
- · Includes screws

Mirror installers have long favored Square Beveled Clear Plastic
Mirror Clips for their blend of style and functionality. These clips
offer a sleek and secure method for mounting door, wall, and vanity
mirrors. Their crystal-clear design ensures attractiveness without
being intrusive. Simple to install. Includes screws for installation.

Product Warning:

When installing mirror clips on the wall, utilize screw anchors or tap into wall studs for secure mounting.
